The Town of Roxbury is committed to complying with the requirements of Title VI.

Discrimination Complaint Guidelines

In order for the Town of Roxbury to investigate a complaint, the following guidelines must be met:

- The issue must be one of discrimination because of race, color, or national origin in order for the Town of Roxbury to investigate the charge of discrimination.

It is necessary to show that because of your race, color or national origin, you have been

- treated in a manner that has caused your access to Town of Roxbury's facilities or services to be restricted or refused.

- The complaint must be filed within 180 calendar days from the date of the alleged discriminatory act.

Complainants may also file a Title VI complaint with an external entity such as the Federal Transit Administration (FTA), other federal or state agency, or a federal or state court. However, should a complaint be filed with the Town of Roxbury and an external entity simultaneously, the external complaint will supersede the Town of Roxbury's complaint and Roxbury's complaint procedures will be suspended pending the external entity's findings.
